Dear Mr O'Sullivan

**VICROADS PRE-QUALIFICATION SCHEME**  
**WORKSITE TRAFFIC MANAGEMENT IMPLEMENTATION**

**PRESTIGE PAVING PTY LTD**

I refer to the application of Prestige Paving Pty Ltd for pre-qualification in the Worksite Traffic Management Implementation Category of the Traffic Management Services (Contractors) group at the following level:

- Traffic Guidance Scheme (TGS)
- Traffic Management Plans (TMP)

Your application has been assessed and I am pleased to advise that your company has been granted pre-qualification for the above levels.

This pre-qualification is conditional on the trained representatives of the company being directly involved in the work have training refreshers of RIICWD503D, RIIWHS205D, RIIWHS302D or equivalent, no more than three years old and attained from a Victorian RTO.

Also Prestige Paving Pty Ltd must provide all required insurance policies, OH&S and Quality Management Systems in date at all times and forwarded to [WSTMPrequal@roads.vic.gov.au](mailto:WSTMPrequal@roads.vic.gov.au) no more than two weeks after expiry date, as failure to do so may result in a review of your pre-qualification and subsequent suspension or cancellation.

Your performance will be monitored and assessments can be made at any time with regard to standard of work as well as compliance with the relevant legislation and Department of Transport (VicRoads) requirements.

If Prestige Paving Pty Ltd is self-implementing traffic control devices, a dedicated traffic controller who's only duties are to be traffic management shall be on site at all times, when the site is operational.

If you have any queries or require further information please contact e-mail [WSTMPrequal@roads.vic.gov.au](mailto:WSTMPrequal@roads.vic.gov.au).

Yours sincerely

**BRIAN FLETCHER**  
**DIRECTOR NETWORK PERFORMANCE AND IMPROVEMENTS (ROADS)**
